Dear Store Manager,

I am a regular shopper at your store, and I would love to see you carry some pizza products by Against the Grain Gourmet. Their products are gluten-free and grain-free, and are also free of soy, corn, nuts, GMOs, artificial ingredients, and chemical additives. They are all made with very high-quality ingredients. They are by far the best products in this category, and I'd really like to find them in your freezer.

Against the Grain products are available from a wide range of national distributors, but you may also contact them directly at 802-258-3838, and request to speak to a member of their sales team. Information about their company and products can be found at

www.againstthegraingourmet.com

I hope you'll consider my request. Thank you!
